

13.8.7 Beginning in 2015-16, Special Education teachers assigned to a building will receive daily case management time for the purpose of arranging and completing IEPs, performing required special education activities related to IDEA, and reporting progress. This time is not protected due to the requirements of special education teachers to support students throughout their school days. However, administrators will not assign teachers any non-case management duties during their case management period. Case management time will be allotted as follows:

1. 30 minutes daily for elementary special education teachers;
2. 1 period per day for middle school special education teachers;
3. 1 period per day for high school special education teachers;
4. 30 minutes daily for post-high school transition special education services.
