Ratification Meeting ~ Zoom Link ~ September 1st ~ 3:45pm

Last night our EEA Executive Board voted to recommend our tentative agreement (TA) to the overall membership clearing the final hurdle prior to educators having an opportunity see, ask questions, and ultimately vote for what could become our next collective bargaining agreement (CBA) with the district. Please plan on attending tomorrow's ratification meeting starting at 3:45pm via zoom. We are moving up the time by a few moments to allow for as many of our schools as possible to join us for as long as possible.

Simultaneous Instruction Survey ~ Input Needed Immediately!

How do you feel about simultaneous instruction? The Bethel District is planning on using tools such as OWL cameras in educators classrooms this year to reach those students unable to attend in person. Is the use of cameras in your classrooms something that should be adopted or avoided? [Please consider filling out our survey so EEA can best represent the educators of Bethel in this area.](#)
